### **Fiber Artist of Distinction Award**

We have many talented weavers in MWA and have established an award to honor them. This award is based on a point system, and when a weaver has accumulated 25 points, they will receive the Fiber Artist of Distinction Award. Points will be earned by receiving either a 1st place or a Named award (3 points), 2nd place (2 points), or 3rd place (1 point) at an MWA conference competition. Once a person has received the Fiber Artist of Distinction Award, their name will be published in the next MWA newsletter and will be added to the honor roll that will be posted on MWA's web site.
